Term or Semester Grade Point Average (Term GPA)

The grade point average for a term or semester is calculated by dividing the sum of the quality points earned in that term or semester by the number of credit hours attempted.

Cumulative Grade Point Average (CGPA)

The cumulative grade point average is calculated by dividing the sum of the quality points earned in all terms and semesters by the credit hours attempted in all those terms and semesters. This average is used to assess the student's overall academic standing at the university.
